John DeRugeris receives the certificate from Selectmen Chairman John DeCosta as Joan DeRugeris shares the moment.

Selectman Daniel O. Mahoney said, "He is very special and I know this has been a much bigger undertaking than he had expected when he first offered his services."

Selectman Bernard F. Talty commented on how he had worked closely with John when he was the selectmen's representative on the Harbor Advisory Committee. "I was very pleased when John said he would help out. The helping out expanded to doing drawings, preparing specifications and writing letters to various departments in the state for permits and licenses."

John thanked the board for the certificate and said he wanted to do some community service. "I wanted to help the town. It has been very rewarding to see the progress we've made. These things take time and it's been about three months since we started, but it's coming along well now."

Mr. DeRugeris, an engineer, of Coast Line Engineering, Inc., Mattapoisett, took it upon himself to make the plans for repairing the

middle wharf which was originally built in the late 1700s. The wharves are very much a part of the shipbuilding history of the town, he wrote to the state Division of Water Pollution Control when filing for permits to repair the wharf.

The repair work will consist of cleaning the existing stone facing, driving a sheet pile foundation wall to above mean low water, and filling the voided area with concrete. Thereafter, a new concrete face will be placed from mean low water to elevation plus 7.0 and new timber and fendering will be installed. Measures will be taken to protect the waters. Also, work will be scheduled for periods of low biological activity, November through March.

In other business, Selectmen:

HEARD testimony from neighbors and dog owner Mrs. Patricia Macaluso and her attorney, Bruce Lider, concerning the barking of the one-year old bull mastiff mix named Zsa-Zsa owned by Mrs. Macaluso of 1 Ash Terrace. Selectmen agreed to continue the case and to make a decision on April 16th.

Selectmen asked that Mrs. Macaluso take some action to prevent her dog from barking during the hours 2:30 to 5:30 p.m. when the complainant, Arthur Parent of 16 Bayberry Lane, is sleeping because he works a third shift.

The Parents were asked to report by letter to selectmen what happened over the 30 days from March 13th to April 16th. Dog Officer Brian Nunes, who submitted a schedule of his visits to check on the dog, was asked to continue to make spot checks on the dog's behavior. On several visits to observe the

dog, Mr. Nunes said he neither saw nor heard the dog barking.

Arthur Parent presented in evidence, and the board played, a recording of the barking dog. He also submitted a daily log of the times of the barking. "Late afternoon is the worst", Mr. Parent said, adding that the children are around at that time and the dog barks continuously at the children. "We are only asking that the dog be kept inside during the late afternoon."

Mrs. Mariette Parent said she gets migraine headaches and has to take tranquilizers because of the excessive barking.

Andrew and Irene Tiernan of 5 Bayberry Lane explained they like to walk in the neighborhood but that when the Macaluso dog gets loose they are afraid. "In one instance the dog got loose and showed his teeth to us but fortunately residents of the Macaluso house called the dog inside. We feel the dog should be more securely tied up."

Speaking for the dog owner, Attorney Lider presented 10 letters signed by abutters and neighbors, several of whom could not hear the dog, and in fact did not know Mrs. Macaluso had a dog. The attorney said that as a dog owner himself "I know all dogs bark, especially young dogs. But just where is the line drawn at excessive barking?"

He added Mrs. Macaluso has had built

expressed his dismay to learn of the office cutting all EOCD technical zoning and planning assistance to local officials.

Mr. Bobola wrote, in part, "Our community has relied heavily on EOCD officials in the past to provide technical support in formulating and enforcing our local zoning laws as well as other land use regulations. To eliminate the distribution by EOCD of the Land Use Manager, Planner's Briefing, State Zoning Act and Subdivision Laws, and other publications would seriously impact the administration of our zoning laws and our ability to respond to changing conditions with appropriate local legislation. We urge you to leave them intact."

WERE ADVISED by the state Department of Revenue that Mattapoisett will receive less in local aid funds, but the exact figure still is unknown.

Selectmen Chairman John DeCosta said no highway funds were received in fiscal 1991; however, the $97,364 allocation for Mattapoisett covers both fiscal 1991 and fiscal 1992. The proposed fiscal 1991 total funding figure is not available at this time; therefore, "we will have to make an estimate on what our cut will be".

Chairman DeCosta, Selectmen Bernard F. Talty and Daniel O. Mahoney agreed to budget for $55,000 less from the state because of the decrease in local aid and be-

Our commitment to service comes with a money-back guarantee.©

If we make a mistake, you shouldn't have to pay for it.

Lots of banks promise good service.

At Plymouth Savings Bank, we do more than just promise; we're putting our money where our promises are.

We know that nobody's perfect. Even banks make mistakes.

We also recognize that if *we* make the mistakes, *we* should face the consequences.

Here's how it works.

If we make a deposit or withdrawal error, we'll pay you $5.

On all deposit accounts (savings, checking, CDs, etc.), if a deposit or withdrawal error is made, it will be corrected, any fees associated will be rebated and $5.00 will be deposited in the appropriate account.

If we make a transfer error, we'll pay you $5.

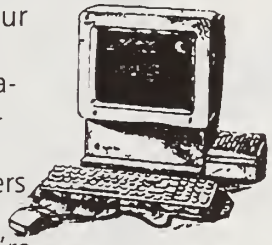
Transfers of IRAs from Plymouth Savings Bank to any other bank, if in error, will result in a waiver of the $25 fee and the customer will be given $5.

If we give you poor consumer loan service, we'll pay you $5.

If we don't have an answer for your completed consumer loan application in 24 hours, we'll give you $5.

We want you to know that service is, and always has been, a priority at Plymouth Savings Bank.

You'll never hear us say, "The computer did it," or "It's not my job," or heaven forbid, "We tried to get in touch with you," etc.



From our tellers to our operations personnel to the officers of the bank, we're committed to service.

People serving people. That's what it's all about.

It's your money and your peace of mind. When you bank with the professionals, we back up our promises with a money back guarantee.

technical requirements. High schools and amateur groups seldom offer this play in its entirety. The O.R.R. Drama Club's production is of the complete script.

Many area merchants have donated a lot of merchandise and services for door prizes. Town Pizza in Rochester donated 10 pizzas, the Plumb Corner Market donated 10 subs, Scott & Company of Plumb Corner has given a month of tanning bed use, the Rochester branch of the Sandwich Cooperative Banks is offering a $20.00 cash prize, Donna's Cookie Jar donated one pound of homemade chocolates, Country Charm Flowers will give a custom prom corsage, movies and More donated five movie rental gift certificates, and Words and Music of Fairhaven donated three gift certificates. There is a very good chance that theatergoers will leave the performance with more in their pockets than they paid for the tickets.

O.H. Jazz Band on the Road

TO PERFORM IN WORCESTER

On Friday, March 22nd, the Old Hammondtown School Jazz Band will be performing for the banquet of the annual conference of the Massachusetts Music Educators' Association, to be held in Worcester, MA. The MMEA, a group for all music educators from Massachusetts, will have its All-State concert the following day, given by the best high school students in the state.

The 23-member Jazz Band, under the direction of Mr. Stan Ellis, submitted a tape to the Conference Committee and was chosen to perform from out of a group of over 40 other tapes that were auditioned. They will be the only jazz group from the elementary level participating. Dr. Roger Farnsworth, the chairperson of the con-

ference, could not say enough about the tape. "You must have some high school players in there somewhere" was his comment.

Thanks to the generosity of the Mattapoisett PTC, the group will travel to Worcester by motorcoach bus.

The skill and dedication of this band and of their director are truly laudable and they should be a source of great pride for their families, their school, and the entire town.

FRIENDS OF OHS MUSIC

The Friends of Old Hammondtown Music, a group of parents supporting the band and chorus at Old Hammondtown School, are selling sweatshirts to help defray the cost of equipment needed by the groups. The sweatshirts will be navy blue with gold lettering saying "Old Hammondtown School". They will be available in 5 different sizes and and will cost $15.00. Anyone interested in purchasing these can call 758-6422. Your support is needed and greatly appreciated.

ORR Musicians Selected

Recently nine music students from Old Rochester Regional represented our school at the Southeastern District Junior Music Festival. The festival was held March 1st and 2nd at Milton High School. The students auditioned a prepared piece last December and they competed for places in the band, orchestra and chorus against students throughout the entire Southeastern District.

BUILDING TRUST THROUGH COMMITMENT

Earning the public's trust in serving its heating needs doesn't come easily. It requires a commitment to service through a team effort, beginning with a dedicated customer service staff ready to respond to your questions and needs. It demands well trained maintenance and installation technicians with the know-how to keep your equipment running safely and efficiently. Finally trust is earned through a delivery crew providing on time deliveries. GlenPark Oil Company, serving this community's heating needs for over 168 years, and earning its trust for delivering both quality service and home heating oil.

Tickets can be purchased at the door; $4.00 for adults and $3.00 for students and senior citizens.

The date is Saturday, April 6th, and the time is 7:30 p.m.

Rochester Seniors Club

The regular meeting of the Rochester Senior Citizens Club was held March 12th at the Rochester Woman's Club. Mrs. Jane Taylor presented a program on the Day Care Centers in Marion and Rochester, and asked people if they would consider volunteering to help with some of the programs at these sites.

Paul Corrigan presented a slide show on Alaska. The club is sponsoring a trip to Alaska in August.

The nominating committee, comprised of Belle Preston, chairman; Delma Jacques and Mary Weigel, will present a slate of officers at the April meeting.

Dorothy Tuttle spoke on the plans of the new Senior Center which will open April 10th at 1:00 p.m. There will be a Ham and Bean Supper on April 27th at the Congregational Vestry and if there are enough

Council on Aging

A THANK YOU

On behalf of the seniors we wish to thank the Mattapoisett Lions' Club, the Seniors' Club, the Woman's Club, the Couples Club, the Friends of the Elderly of Mattapoisett, the Congregational Church Youth Group and anyone who assisted at the delicious dinner for shut-ins and singles on March 9th.

The entertainment was most enjoyable. Thanks to Jean West and her chorus and the TLC Group from Trinity Lutheran Church.

When you see so many organizations get together to show appreciation to the elderly you realize what a SPECIAL community we live in.

THANKS TO ALL FOR A JOB WELL DONE. Mattapoisett Council on Aging

Science Fair Winner

A Rochester resident was a first place award winner in the Massachusetts Region III Science Fair held at Bristol Community College March 8th and 9th.

Christopher Ferreira, competing in the Junior Division, received the award for his project entitled "Quality of Water on the Mattapoisett River". Christopher was also the recipient of the Region III Science Fair Environmental Award for the project which best exemplifies earth day environmental concerns. The award included a $100.00 savings bond.

In February Christopher captured the Grand Prize award at the local Science Fair at St. Francis Xavier School, where he is enrolled in the seventh grade. He resides with his parents, David and Shirley Ferreira in Rochester.

the celebration of the 150th anniversary of their church building, erected in 1841 on the corner of Front and Main Streets. The Sunday worship service will include a special Litany of Memories. A banner designed by Doug Oliveira will hang over the front doors to announce the sesquicentennial. Throughout this year, special events will recognize the church's history, including the dedication of a wallhanging for the church narthex worked in crewel by Thelma Sequeira, a bus tour of historic sites on June 8, and a Heritage Dinner in the Congregational Chapel in late September.

The first Congregationalists gathered in 1683 at Ministers Rock, an historic town site on Oakdale Avenue. This area was known as the "Lands of Sepecan", the name of an Indian village lying between the two harbors. The huge rock was used as the pulpit for the ministers.

In 1703 a church was formed and a small Meeting House was built. It was a log cabin 12 x 16 feet with one door and a window. Some years later, after the next church was built, it was sold as a corn crib.

In the first half of the eighteenth century, a Meeting House was erected on Old Indian Trail, now Parlortown Road. The church was called the Church of Christ in Rochester, because at that time the town of Rochester included Rochester, Mattapoisett, Marion, and part of Wareham. This was a more central gathering place for the members of the parish. Eventually, The First Church of Rochester in Rochester Center became the main place of worship.

In 1799 a Meeting House was built in Marion for those living in the southern

part of town. This building is now the Marion General Store. It had a high pulpit and balcony and was heated during the winter by a pipe from a wood stove stretching across the room. The women had foot stoves and between the services on Sundays the men used to replenish the hot coals with new ones from the Old Tavern.

The present church had its ground breaking on Easter in 1841 and was dedicated on the First Sunday of Advent in December that same year. Solomon K. Eaton of Mattapoisett was the architect, contractor, and builder of this fine example of nineteenth century architecture in the Christopher Wren style.

During the week following Easter historical items and photographs will be on display in the window of the Marion General Store. The community is invited to view the display and join in the sesquicentennial celebration.

Copies of the church history, including a history of the past fifty years, recently completed by the Rev. George A. Robinson, is available for five dollars from the church office in the Community Center building on Front Street (at the rear of the store parking lot). The office is open Monday through Friday, 8:30 to 12:30.

PALM SUNDAY

A special music program, "Make a Joyful Noise", with guest musician Paul Grace will follow the morning worship service on Palm Sunday, March 24th, at the First Congregational Church of Marion. The program will be held in the hall of the Community Center on Front Street in Marion at 11:30 a.m. The community is invited.

Horse Show Returns!

TO THE EDITOR

They say some traditions never die, and in Marion, at least, that is certainly true. Last year, after forty-three years, there was no Horse Show in the Fourth of July at Washburn Park. Many people mourned the loss; several did something about it, and so this Fourth of July, the 44th Annual Marion Horse Show will be held once again at Washburn Park.

A wonderful tradition, in danger of dying, has been resurrected, its goals reorganized and its committee revitalized, due largely to the efforts of Kate Haarala of Marion. Backed by a committee of several new faces, Kate has taken on the job of president, with Danielle Coffin as vice president, Debbie Thompson as secretary and Jim Clemmey as treasurer.

With tremendous support coming from the Sippican Seniors, Girl and Boy Scout Troops from Marion, Rochester and Wareham, F.O.R.M., S.C.O.R.R., the Mattapoisett 4-H and Pilgrim Youth Fellowship, as well as several new committee members, plans for this year's show are well underway. The show will be a Class B in two rings, with the popular Hunter/Jumper classes returning.

Despite the loss of funds as a result of no show in 1990, the committee voted to reward the faithfulness of groups that have helped in the past who were hurt financially by the loss of the show, and some money was distributed to them last fall using the show's Rain Fund.

The committee is hopeful that area businesses, sponsors and patrons will once again be as generous with donations this year as they have been in the past.

So, the tradition continues, thanks to those who stepped forward when help

RC&D Area Council, the sponsoring organization, notes that what's different about this approach is bringing in a crew from the landscaping field. This "Green Industry" is oriented toward aesthetics and could play a valuable role in the management of young forests, by thinning out poor quality trees from crowded forest stands. This work would provide jobs for landscapers during their slow season.

Key to the project is the use of small scale equipment that can maneuver easily through a crowded stand of trees without injuring the remaining trees. Nolan Landscaping of Norfolk, Mass., the contractor that did the work, used a four-wheel-drive Kubota tractor with a cable winch.

The economics of the wood industry have pushed commercial loggers toward high production equipment like large rubber-tired skidders. "Skidders are the right tool for some jobs, such as large sawing harvests or when trees are widely spaced on sandy soils", says Mike Labossiere of Walden Forestry Associates and forester to Dennis Mahoney & Sons. "But small scale equipment makes more sense in residential woodlots, in crowded stands, and on sensitive soils," he added.

Another aspect of the demonstrations will be to determine the cost of doing fuelwood thinnings for habitat and aesthetics under different conditions. Low impact equipment is often less productive than a large, rubber-tired skidder. But the greater cost of doing this quality work can

be cost-shared by federal programs if landowners have a forest management plan for their woodlot.

To balance wood production with wildlife habitat values and aesthetics, the crew was instructed to cut out poor quality oak which will favor the growth of white pine sawtimber. However, numerous large-crowned oaks and beech were left growing because they provide valuable wildlife food in the form of acorns and beechnuts. Slash from the tops of harvested trees was lopped down close to the ground where it will decompose relatively quickly and leave the forest in an attractive state.

Grief Recovery

HOSPICE OFFERS HELP IN BEREAVEMENT

A grief recovery program for anyone who has lost a loved one through death is scheduled to start Thursday afternoon, April 4th, at St. Gabriel's Episcopal Church in Marion. The five-week program, presented by Lighthouse Hospice, is designed to help bereaved persons come to terms with their loss.

According to Jill Cockrell, bereavement coordinator for the Wareham-based Hospice organization, the topics to be covered include loss and grief, tasks of grieving, learning to cope, grief therapy and saying goodbye. The course is open to anyone in the community, whether or not they are a member of a Hospice family. There is a nominal fee to help defray the cost of materials.

Attendance at the program, to be held Thursday afternoons from 3 to 4:30 p.m., is limited and pre-registration is necessary. Anyone interested may call Jill Cockrell weekdays between 9 and 4 at 295-2920.

Lighthouse Hospice provides care for terminally ill persons and their families in Buzzards Bay, Carver, Lakeville, Marion, Mattapoisett, Middleboro, Onset, Rochester, Sagamore and Wareham.

eligible for enrollment in Kindergarten. Any child born in the year 1985 is eligible for enrollment in Grade 1. The age requirement for Kindergarten entrance, set by School Committee policy, is that each child must be five years old by December 31st of the year in which the child is enrolled in school. Parents should bring a birth certificate or a notarized memorandum of birth with them on registration day. A doctor's memorandum showing the following immunizations is required for school entrance: DPT, Oral Sabin Polio Vaccine, Measles, Rubella (German Measles), Mumps.

In addition to the above required immunizations, the Massachusetts Department of Health has issued a new regulation as of March 1, 1990 which must be adhered to in order to have your child eligible for entrance into Kindergarten. This regulation states that all children must present evidence of having been previously screened for lead poisoning as a condition for entry into Kindergarten. The result of this testing should be brought with you at the time of Kindergarten registration along with your documentation of the above immunizations.

If the required immunizations are incomplete for, medical and/or religious reasons, a statement from a doctor or church official stating the reasons for exemption should be presented at the time of registration.

We additionally would request that if you have an outstanding court order or decree regarding the legal custody of your child, that you furnish us with a copy of this at registration. This is necessary in order to assist us in the release of educational records and information, as well as the dismissal of children to the parent/adult.

Information about Kindergarten screening, which will be held during the first week of school in September, and an Orientation Meeting for Kindergarten parents, will be available at registration. A separate vision and hearing screening will be

Marion Conservation Commission

INFORMATIONAL OPEN HOUSE

On Monday, April 15th, the Marion Conservation Commission, in cooperation with the Marion Natural History Museum, will host an informational open house for Marion residents and local contractors interested in learning more about laws affecting development in wetlands, flood plains, and shorefront areas. Residents planning projects for the spring and summer construction season, or who own unlicensed piers/docks/breakwaters, are urged to attend.

The purpose of the open house is to provide residents with general information about conservation laws, and with specific information about procedures for determining applicability for individual projects. According to Commission Chairman John Rockwell, building projects are often interrupted or delayed because people do not understand at the outset the procedures required by the laws. This year the Commission hopes to minimize these problems by devoting an entire evening to public information alone.

Presentations on wetland determinations, flood plain laws, and regulations requiring licensing of piers/docks/breakwaters and other coastal structures will be made by area engineers and environmental consultants. Commission members will outline procedures for determining whether a project is affected by conservation laws, and how to file for approval if necessary.

The open house will be held at 7:30 p.m. at the Marion Natural History Museum located above the Elizabeth Taber Library at 8 Spring Street (beside the Marion Town House). To insure that sufficient

College Club of New Bedford

The College Club of New Bedford, Inc. will meet Wednesday, March 27th, at 3:00 p.m. at the Congregational Church of South Dartmouth. The speaker will be Bettina Borders, Esquire who will speak on "Women Versus the Law".

"The Gold Rush"

Charlie Chaplin's supreme gift of comedy, "THE GOLD RUSH" comes to the Zeiterion on Thursday, March 21st, at 2:00 p.m. and 7:00 p.m. This classic Chaplin film includes the supper of the boiled boot, the dance of the dinner rolls and the teetering cabin. The silent film will be presented with live organ accompaniment provided by Lee Erwin on the restored Grimshaw-Gudewicz Wurlitzer Theatre Organ. Mr. Erwin was the chief organist for the famous "Moon River" radio program on Cincinnati's WLW radio, and later became organist, composer and arranger for the various Arthur Godfrey shows.

"The Gold Rush" (1925) was the first comedy feature which Charles Chaplin made for release by United Artists. It turned out to be the longest, costliest comedy ever produced during the silent film era. The stars of the film were Charlie Chaplin (a lone prospector), Georgia Hale (Georgia), Mack Swain (Big Jim McKay), and Tom Murray (Black Larsen).

The Zeiterion is inviting audience members to come dressed as Charlie Chaplin or in the time period of the silent film era, the 1920s.

Tickets for the Classic Film Series are $5.00 each; senior/student tickets, $4.50. Group rates are available. Tickets are available at the Zeiterion Box Office at 994-2900, and are also available at all Ticketmaster locations, or by calling Ticketmaster at (617) 931-2000.

The Zeiterion Theatre is located at 684 Purchase Street in historic, downtown New Bedford. The theatre is wheelchair accessible, and there is plenty of free parking.

The Zeiterion is funded in part by the Massachusetts Cultural Council, the Arts Lottery Councils of Acushnet, Dartmouth, Fairhaven, Freetown, Marion, Mattapoisett, New Bedford, Rochester, Wareham and Westport, the City of New Bedford and the New England Foundation for the Arts.

The Classic Film Series will continue on April 18th with "The Phantom of the Opera" starring Lon Chaney, and will conclude on May 23rd with "The Freshman", starring Harold Lloyd.

"Birds on the Move" weekly nature walk, led by John Macedo, a Lloyd Center board member and bird expert. Participants will view a mixture of winter and spring birds, some departing to the north for their summer stays, others returning from the south from their wintering grounds and others "just passing through".

Fees for the "Birds on the Move" weekly nature walk are $3. for Lloyd Center members, $5. for non-members and $1. for children under 12. The "Birds on the Move" nature walk is a great opportunity to get outside and learn about southeastern Massachusetts' teeming wildlife and importance as a vital migratory route for birds.

For more information and registration contact the Lloyd Center at 990-0505, or stop by 430 Potomska Road in South Dartmouth.

Annual Book Sale

FRIENDS OF DARTMOUTH LIBRARIES

A great 3-day spring sale of thousands of good, valued books, previously read and donated for the enjoyment of new readers will take place starting Thursday, March 21st, at Southworth Library in South Dartmouth.

Ranging in variety from light, paperback romances to heavy encyclopaedic tomes, the books have all been pre-sorted for type classification as fiction, mystery, western, history, etc., and displayed in separate sections on the sales tables. Cookbooks and children's books receive extra special scrutiny for durability and cleanliness. Additionally, if numbers warrant, a special collection of like-new fiction and non-fiction may be segregated and priced at attractive bargain prices. Otherwise the pricing for all books is set at 50¢ for hard-

cover volumes and 25¢ for paperbacks.

This spring the offering to the public is the greatest ever in the eight years the sponsors, Friends of the Dartmouth Libraries, have conducted the semi-annual events. Because the 1990 fall sale was omitted, current available stocks are double the usual volume and variety. To adequately display them all, Roberta Sawyer, sale director, plans to utilize both large meeting rooms at Southworth.

Although located at 732 Dartmouth Street, the library's entrance is off the parking lot on the east (far) side on Sole-e-mar Street, and is at ground level. Sale hours each day are 9 a.m. until 4 p.m.

With the proceeds the sponsoring Friends organization, a non-profit, volunteer group, supplements the town-appropriated funds for library operations and acquisitions, thus enabling the library system to offer extra special services and cultural programs for the area public at no charge. Additionally, last year the group pledged a substantial sum to the fund for installation of an elevator at Southworth for the special benefit of the elderly and the handicapped.

For further information and travel directions call 636-2215.

REPORT CARDS MAILED

The guidance office at Old Colony Regional Vocational-Technical High School recently mailed second trimester report cards to the parents of its students. Parents with questions pertaining to their child's grades are urged to contact the guidance office by calling 763-8011, extension 26.

APPLICATIONS BEING ACCEPTED

Applications are still being accepted for the September 1991 freshman class at Old Colony Regional Vocational-Technical High School.

Any eighth grade students whose parents are legal residents of Acushnet, Carver, Mattapoisett, or Rochester are eligible to apply. Eighth grade students from Freetown and Lakeville are also accepted on a space available basis. Application forms are available in the guidance offices of area middle and junior high schools or directly from Old Colony.

Old Colony offers not only a high school diploma but also vocational certificates in Culinary Arts, Drafting, Data Processing, Cosmetology, Health Careers, Machine and Tool Technology, Welding, Automotive, Electronics, Carpentry, Electrical and Offset Printing. Freshmen students participate in an eight-week exploratory program beginning in September.

Anyone desiring further information is urged to contact Paula Simmons at Old Colony by calling 763-8011, extension 28.

as the Director of Camp Snipatuit in Rochester.

Mrs. Leatham heads up a staff of over 50 which includes teachers, certified swim and waterfront staff, a nurse, skilled specialists, college students and high school students. Camp Massasoit's new Camp Director indicates that many of last year's staff will be returning, but there will also be a good mixture of new staff - bringing fresh, new and innovative program ideas to this year's camp. Mrs. Leatham resides in Marion with her husband and two children.

Camp Massasoit is the YMCA's summer day camp for children ages 5 to 15 years of age. The camp has been in operation for 30 years serving area youngsters at its beautiful waterfront location in Mattapoisett.

Mr. Schuyler indicated that the YMCA was fortunate to have an individual of Elizabeth Leatham's caliber and experience heading up their camp program as the YMCA undertakes a rebuilding program for Camp. The YMCA is now undergoing a capital campaign to raise funds to renovate the camp's facilities.

For more information on Camp Massasoit contact the YMCA at 25 South Water Street, New Bedford or call 997-0734.

The New Bedford YWCA, a community service organization which creates new opportunities that enable women to control their own lives and strengthen their families, announces spring events scheduled to begin in March.

Registrations for swimming lessons are now being accepted for classes starting March 25th. Lessons include Safety Orientation (SOS), Tiny Tots, and Kinderswim, designed to introduce swimming to young children. All levels of swimming classes are available for adults, teens, and school-age children, including Red Cross training (Basic Rescue and Advanced Lifesaving), lap swimming, and plunges. To complete the YWCA water program, a swimnastic class is being offered for adults who desire a low impact and non-stressful workout.

On March 6th paintings by the class of Joseph Alexander were placed on display in the YWCA gallery, and will be shown through April 6th. The opening reception for the exhibit will be held Wednesday, March 20th, from 7 to 9 p.m.

The YWCA invites all members of the community to participate in the upcoming events. For further information please contact the YWCA at 999-3255.

Men's Air Tech Challenge II 3/4

Nike designs shoes to meet the demands of world-class athletes, and the Air Tech Challenge II 3/4 is a shoe that can stand up to the rigors of tournament play. This high-performance tennis shoe features an asymmetrical upper made from Durabuck material for outstanding durability and comfort. Two Air-Sole® cushioning units in the midsole provide excellent cushioning without sacrificing flexibility. Durathane at the forefoot is wrapped around the medial side of the toe area to provide superior durability and abrasion resistance where it's needed most. The herringbone outsole design provides proven traction and great responsiveness.
